WHAT DO YOU MAKE OF THIS?
Albert Smithers went a-fishing
On a day when it was fine;
An ancient pollard willow
There he cast his silken line.

Soon he had a bite! He chuckled.
"Now, I'm sure a little jerk'll
Bring this fellow to the surface,
While the eddies round him swirl."

But the fish escaped, and Albert
Got his tackle in a tangle.
It was tolerably certain
That he hadn't learned to reel.

So when evening came it didn't
Find the youthful sportsman there.
He had stolen off, disheartened,
To his home in Walton.

DISTRESSING ACCIDENT

Master Arthur Lee Winter Sustains Serious Injury

Master Arthur Lee Winter, the bright and handsome little son of Mr. and Mrs. John I. Winter, met with a very serious accident last afternoon.

He was playing on his father's furniture wagon in front of the latter's establishment, when he fell, breaking his right arm at the elbow.

The injury is unusually severe, in that, beside the broken bone, the muscles are torn, and it will take a long time for the member to knit properly.

The mishap is very much regretted by the friends, old and young, of the clever little gentleman.

At the opening of a Labor Convention in Chicago Mayor DENNE made an address of welcome, saying among other funny things, "Let me assure you that as long as I am Mayor of Chicago peace will be preserved to the very last limit of our resources, and when those fail we will call upon other powers without our limits. At the present time there is no necessity to call upon those powers." And while the Lord Mayor was uttering these assuring words, a half dozen "sluggings" were occurring within gunshot of his voice.

A DISPATCH from Tien-Tsin says the boycotting of American goods by the Chinese Guilds is daily assuming more serious proportions. The Guilds have quietly determined to carry the boycott through, and the aspect for American manufacturers is rather gloomy. The native newspapers are refusing advertisements of American goods. It is now in order for Mister DENNIS KEARNEY, the San Francisco Sand-Lots Agitator, to step forward and replace the trade lost to American manufacturers—and consequently the wages lost to American workmen—by reason of the Chinese Exclusion Act which was born of agitation by so-called Labor Unions.

Frightful Eczema in childhood or old age cured by D. D. D. Prescription.

Baby boy quickly healed.

Lisbon, N. H., April 22, 1904.
D. D. D. Company.
Gentlemen:—My baby boy is cured by your remedy. He has suffered from the terrible disease from birth which covered the entire body. He was in such fearful condition we had to tie his hands to keep him from tearing his flesh. All doctors and different advertised remedies had no effect in this case. When we began the use of D. D. D. it made the child look worse, but after a few days it began to scab, and in less than two months treatment the child was entirely cured.

An aged man cured.

Findlay, Ohio, April 15, 1904.
D. D. D. Company.
Gentlemen:—I have doctored with four or five doctors and had eczema in the worst form for thirteen months. I have used eleven bottles of D. D. D. and am now completely cured. My age is sixty-two years. You may use this testimonial at your pleasure. Yours respectfully,
H. WALTERS.

Thousands of people suffering from the terrible tortures of these diseases imagine they have some impurity in the blood, when, as a matter of fact, the blood has no more to do with this class of ailments than the eyeballs.

Skin Diseases

are wholly confined to the epidermis or external skin, and between the inner and external skins there are no blood vessels, hence the disease cannot come from the blood. Barrels of blood medicines can have no effect on these skin eruptions, for such medicines cannot reach the seat of the trouble. This class of diseases is caused by a germ or parasite which burrows into the external skin, there it lives, thrives and multiplies, and the inflammation they set up causes the awful itching and burning sensation.

The D. D. D. Remedy

is a liquid preparation applied externally—non-greasy—that penetrates the pores of the skin, destroys the germs or parasites and clears the disease entirely out of the skin, leaving a smooth, soft and healthy covering for the body.

D. D. D. costs but \$1.00 per bottle and is guaranteed to cure any skin disease or money refunded. For sale and guaranteed by

Cincinnati is moving to abolish her fire-bells. Putting on city airs, as it were.

The world doesn't owe any man a living, but a great many regulate their lives upon the principle that it does.

MISS MARGARET CULLEN.

After a lingering illness, Miss Margaret Cullen passed away at 2:30 o'clock last afternoon at her home in West Third street.

She was 17 years of age and is survived by two sisters—Miss Anna Cullen and Mrs. Samuel Riggs—and two brothers—Messrs. Paul and Leo Cullen.

The funeral will take place from St. Patrick's Church at 9 o'clock tomorrow morning, the Rev. Father P. M. Jones conducting the services.

The interment will be in the Cemetery at Washington.

Rev. W. T. Spears will preach at the Union Church on Pleasant Ridge Sunday morning.

In Cincinnati Wednesday a marriage license was granted to Mr. Dan W. Smith, aged 21, of Norwood, and Miss Sadie Thompson, aged 18, of 638 West Fourth street.

Found a Cure For Dyspepsia.

Mrs. S. Lindsay of Fort William, Ontario, Canada, who has suffered quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. She did so and says: "I find that they have done me great deal of good. I have never had any suffering since I began using them." If troubled with dyspepsia or indigestion why not take these Tablets, get well and stay well. For sale by Local Druggists.

WOMEN'S NEGLECT

SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhoea.

These symptoms are but warnings that there is danger ahead, and unless heeded a life of suffering or a serious operation is the inevitable result.

The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

Miss Kate McDonald, of Woodbridge, N. J., writes:

"I think that a woman naturally dislikes to make her troubles known to the public, but restored health is meant so much to me that I cannot help from telling mine for the sake of other suffering women."

"For a long time I suffered untold agony with a uterine trouble and irregularities, which made me a physical wreck, and no one thought I would recover, but Lydia E. Pinkham's Vegetable Compound has entirely cured me, and made me well and strong, and I feel it my duty to tell other suffering women what a splendid medicine it is."

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish War know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon, as will be seen by the following certificate from Mrs. Milane Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by all druggists.

WELL KNOWN HERE

Was the Late "Nate" Woodcock, Who Died Tuesday

"Nate" Woodcock, for many years a well known Cincinnati drummer, whose death was announced yesterday at Junction City, was well known in all this section, having begun business with R. M. Bishop & Co. just after the War. He was raised about Harrodsburg. He was a great admirer of Rev. George O. Barnes and went into the Church under his preaching at Cincinnati many years ago. Peace to his ashes.

SHOT TO KILL

And John Spencer Was Held to the Grand Jury

John Spencer, a colored gentleman who hangs out in West Fourth street, came very near changing his hanging position to the end of a rope. He has been keeping company with Lizzie Randolph, a colored married woman from Fleming county, and when John went home Tuesday about noon he became involved in a quarrel with the woman. Finally, to wind up the conversation in true darkey style, John reached for a weapon, which proved to be a pistol instead of a razor, and he shot five times at Lizzie, neither ball striking her. She had him arrested on a warrant charging him with shooting to kill, and yesterday his case was called in the Police Court, where he waived examination and was held to the Grand Jury in \$250. He went to Jail.

FOR WOMEN AND WOMEN ONLY

Much That Every Woman Desires to Know About Sanative, Antiseptic Cleansing and the Care of the Skin, Scalp, Hair, and Hands.

WHAT CUTICURA DOES FOR WOMEN

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment, and Pills in the antiseptic cleansing of the mucous surfaces, and of the blood and circulating fluids, thus affording pure, sweet, and economical local and constitutional treatment for weakening ulcerations, inflammations, itchings, irritations, relaxations, displacements, pains, and irregularities peculiar to females. Hence the Cuticura remedies have a wonderful influence in restoring health, strength, and beauty to weary women, who have been prematurely aged and invalidated by these distressing ailments, as well as such sympathetic afflictions as anemia, chlorosis, hysteria, and nervousness. Women from the very first have fully appreciated the purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy which have made Cuticura the standard household remedy of the civilized world.

TORTURING HUMOR

Cured by Cuticura.

"I suffered five years with a terrible itching eczema, my body and face being covered with sores. Never in my life did I experience such awful suffering, and I longed for death, which I felt was near. I had tried doctors and medicines without success, but my mother insisted that I try Cuticura. I felt better after the first application of Cuticura Ointment, and was soon entirely well. Mrs. A. Elson, Bellevue, Mich.

TIME IS THE TEST.

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon find out when misrepresentations are made, and merit alone will stand the test of time.

Maysville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

W. H. Paul, carpenter by trade, living at 333 East Third street, Maysville, Ky., says:

"I value Doan's Kidney Pills as highly today as I did when I first used them in 1899. I got a box of them and used it for pain in my back and other evidences of a disordered condition of the kidneys which had given me much trouble for two years or more. This remedy acted promptly and I was soon cured. I did not notice any of the difficulties until some four years later or about a year ago. I again procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore and all symptoms of the trouble were quickly and thoroughly removed. Since then I have not noticed any signs of trouble of any kind arising from my back or kidneys. I most cheerfully re-indorse Doan's Kidney Pills for they are certainly worthy of recommendation."

For sale by all dealers. Price 50 cents a box, Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
